

Safe In Faith is a project working to support survivors of domestic abuse, sexual violence and exploitation in ways that understand how their faith impacts their experiences

16 Days of Activism

The 25th November marks the international day for ending violence against women and girls, and begins a 16 day period of global action to create a safer, more just world. Pope Francis has said

"It is our duty, the responsibility of each person, to give a voice to our voiceless sisters...It is necessary to act immediately, at all levels, with determination, urgency and courage."

Join us on the **18th November by zoom** to help prepare for the 16 days and hear from people who have been working to end violence against women and girls in the UK and France and we will be launching our 16 day calendar to help Catholics join in the 16 days of action. (free event in partnership with CSAN DA alliance and the National Board of Catholic Women)

Join us in person on 28th November for our interfaith "Faith on 4th" event centred on survivors who have a faith background, asking "Why keep the faith?" The event will include talks, creative workshops, poetry, Ethiopian Coffee Ceremony and food (free event in partnership with the Faith and VAWG Coalition and Forward) [Link Here](#)
